

Statement
Regarding EU
REACH directive

To All Customers.

In our production we do not use nor have we ever used any of the substances cited in the European REACH directive, including the 25 June 2020 update as published in Helsinki earlier this year.

We certify that all of our products are fully compliant with the REACH directive.

Leclanché Capacitors is an ISO 9001:2015 certified company.
SQS Scope number 13, Registration number 30695.

Yverdon-les-Bains, Switzerland : 17 November 2020
